MEMORANDUM FOR: Assistant Director for Personnel

ATTENTION : Classification and Wage Division

SUBJECT : Consolidation of the Safehouse and
Acquisition Branches, Real Estate and
Construction Division, Logistics Office

1. Subject staff study dated 11 December 1953 was approved by this Office 21 January 1954.

2. At a subsequent meeting, however, between the Director of Security and the Chief of Logistics, it was determined that the Safehouse Branch, for security reasons, should remain as a separate Branch in the Real Estate and Construction Division. I concur in this change in organization.

3. Necessary action should be taken to adjust any personnel or T/O actions which were issued on the basis of a consolidated Acquisition Branch recommended in subject study.
